The instructions for the writing task should be read to you by your teacher.

You may talk about the topic and the instructions in Arabic but remember to write in English.

**The world has changed dramatically in the last one hundred years, and how we live now is very different to life in 1909.**

**What do you think life will be like in 2109? Why?**

### Things to remember:

- Take time to plan your writing.

### Read over your writing to be sure that:

- the main idea of your writing is clear
- everything in your writing talks about the main idea
- you elaborate your main idea with examples
- your ideas are organised logically so readers will understand your message
- the words and information you choose make your writing interesting to readers, and
- you use proper sentences.

### Edit your paper and be sure that:

- your grammar, capital letters and punctuation marks are used correctly,
- your spelling is correct, and
- you have used paragraphs.

### You have:

- 5 minutes planning
- 25 minutes writing
- 5 minutes editing
- Total time: 35 minutes

### Please note:

YOU ONLY HAVE THIS BOOKLET TO WRITE IN. **NO** EXTRA PAPER WILL BE PROVIDED.
